### Methods and apparatus for evaluating portfolios based on investment risk

US Pat. 5784696 - Filed Jun 6, 1995

In the description which follows, the basic annual risk- 7") are a representative printout of fund values, target rate adjusted rate of return is defined as ...

### Methods and apparatus for facilitating execution of asset trades based on ...

US Pat. 5729700 - Filed Feb 24, 1995 - Meyer Melnikoff

8") are a representative printout of fund values, target rate ^ accordance with the invention, substantially the exact return, and risk-adjusted return, ...

### System and method for generating and displaying risk and return in an ...

US Pat. 5884287 - Filed Apr 11, 1997 - LFG, Inc.

The fallback scenario differs from the target scenario in at least on of the ... probability of achieving the required target rate of return is found; ...

### Method and apparatus for graphic analysis of variation of economic plans

US Pat. 5727161 - Filed Sep 16, 1994 - PlanScan, LLC

Assume that 1-2-3® spreadsheet offers its calculate-backward feature by for the rate of return goal, the user has in mind a target goal displaying a window ...

### Goal-oriented investment indexing, tracking and monitoring data processing ...

US Pat. 5214579 - Filed Dec 22, 1989 - L &amp; C Family Partnership

it will take the total investment base to reach the target goal, if the rate of return stays at 8% or alternatively, at 12%. As shown in FIG. ...

### Method to enhance cardiac capillary growth in heart failure patients

US Pat. 6473644 - Filed Oct 13, 1999 - Cyberonics, Inc.

... ven- 20 tricular rate is further reduced to ultimately reach a target rate in ... 30 for return of the ventricular rate to said desired target range. ...

### Pacemaker with improved automatic output regulation

US Pat. 4969467 - Filed Aug 7, 1989 - Teletronics N.V.

The decrease in target during rate-response pacing is designed to force a return to minimum rate at which time target can be corrected. ...

### Interactive color confidence indicators for statistical data

US Pat. 5999918 - Filed Apr 2, 1997 - Rational Investors, Inc.

Next, the present invention iteratively searches for the rate of return ... the highest probability of achieving or exceeding the target rate of return. ...

### Treatment of congestive heart failure and autonomic cardiovascular drive ...

US Pat. 6622041 - Filed Aug 21, 2001 - Cyberonics, Inc.

... of the difference between the actual ventricular rate and the target rate.

... heart rate to return to and remain at the patient's normal resting rate. ...

### Pacemaker with improved automatic output regulation

US Pat. 4878497 - Filed Mar 25, 1988 - Teletronics N.V.

Whenever a return is made to minimum surement cycle, if the present rate is above the minimum rate, as always happens, the pacer adjusts target to rate. ...
